

Comprehensive Insurance

What is it?

No matter how careful you might be with your car, damage and theft can still occur. Maxxia offers access to reliable, competitive car insurance through Allianz Insurance so you and your loved ones can travel with confidence.

With a host of features to suit a wide range of budgets and needs, it's worth your time to make sure you're fully covered.

Why it's a good idea

With comprehensive insurance, if something unfortunate happens to your vehicle or someone else's, you can breathe easy knowing you've got the financial support you need.

Features include

- Accidental damage to your car, including damage caused by fire, hail, flood, storm or earthquake.
- If your vehicle is lost by theft and not found.
- If your vehicle suffers malicious damage.
- Cover for damage to other people's property caused by your vehicle.
- Hire vehicle costs following an accident or theft.

What it doesn't cover

- The damage, loss or injury caused while your vehicle is being driven by a person under the influence of any drug or alcohol or unlicensed at the time of the accident.
- If your vehicle is being used for carrying passengers for hire or reward.

Example scenario

Jaime's car is stolen from outside his house, which cannot be found and his car is not recoverable because of the theft. Jamie then lodges a claim with his insurer and the claim is assessed.

Where the loss falls within the scope of the cover provided the comprehensive insurer reviews and approves a Total Loss pay-out to Jaime for the loss of his car by theft.

A Hire Car benefit can also be provided, which pays for the hire of an alternative vehicle, up to the policy sub-limit, whilst Allianz is working through Jaime's claim.
